

If you are traveling out of the state or the country and are planning to use your Visa debit card you must notify the credit union at least 24 hours in advance of using your card to avoid your card being stopped for suspected fraudulent use.

For the safety and security of your account, the credit union automatically monitors debit cards for fraudulent activity. If you attempt to use your debit card out of state or country without notifying the credit union the system will block the card for possible fraud.

To avoid interruption County Schools FCU needs the following information in writing so as to permit the out of state or country use of your debit card.
